**The wonders
of nature**

NEW

**CATALOGUE
2024**

Farmed and processed in Italy

The best from our
farmers, respecting the
entire supply chain.
di tutta la filiera.

OUR COMMITMENT IS A PROMISE WE KEEP DAY IN DAY OUT

Our **cooperative** has been farming vegetables **for over 50 years** according to nature: following the seasons and with **naturally sustainable farming practices and processes**.

Thanks to the connections with our member farmers,
we have total control of the supply chain:
from sowing to harvesting, from field to table.
We do everything out of vocation, every day. **And we do it in Italy.**

That is how we have become **the leading Italian group**
in the production of fresh frozen vegetables.

**Verduri - Mixed Vegetable Puree and
Verduri - Light Vegetable Puree:**
best branded products for sales and rotations

NEW:

VERDURÌ - EDAMAME AND PEA PUREE

A delicate, creamy flavour with all the tastiness of edamame beans and the aromatic freshness of basil.

Plenty of vegetable protein, fibre but low fat to help you stay in shape.

The high protein level helps grow and maintain muscle mass: one portion of **Verdurì Edamame and Pea Puree** provides 24% of the recommended daily reference intake.

Perfect for those who do intensive workout, for vegetarians and vegans to ensure they get the right amount of protein, and for the elderly whose metabolism struggles to absorb protein.
